

Excellence through people and
technology at every stage

AUDIO

VCI Can Help Captive & Motivate Your Audience

Since 1992, VCIEvents
has provided world-
class technical support
for corporate meetings,
entertainment events,
tradeshows, television
& film productions,
and all types of
special events.

From boardrooms to ballrooms, VCIEvents creates stunning images in every setting imaginable. Our toolbox includes pristine HD video projection, the latest LED display technologies, complete end-to-end digital HD camera systems, hard disk recording and playback solutions, hi-resolution switchers and an array of monitors in virtually every available size. Our veteran team of technical leaders and impeccably-maintained equipment make VCIEvents the trusted choice for all events.

Performance far beyond
expectation, unparalleled
customer experience.
Whatever your show
vision or event challenge,
VCIEvents delivers the
right audio, video and
lighting solutions,
every time.

SOLUTIONS

AUDIO

VIDEO

We are experts at the science of sound, supported by an extensive array of high-quality audio equipment. Our professional audio engineers create immersive listening experiences for audiences of all sizes. Whether it's the opening keynote for a national sales meeting or a headline entertainer backed by a 50-piece orchestra, VCIEvents designs the optimal audio package for every unique environment.

Since 1992, VCIEvents has provided world-class technical support for corporate meetings, entertainment events, tradeshow, television & film productions, and all types of special events.

Performance far beyond expectation, unparalleled customer experience. Whatever your show vision or event challenge, VCIEvents delivers the right audio, video and lighting solutions, every time.

We care deeply about your success, embracing every event with uncompromising attention to detail. We are collaborative partners, comprehensive planners, and masterful technologists. The result is a precisely executed, smooth on-site experience.

Lighting by VCIEvents transforms ordinary places into extraordinary atmospheres. From simple meeting stages and sets to fascinating celebration spaces, our lighting directors bring a wealth of experience and creativity to every environment.
